For the applicability of all laws and regulations you may consider contacting your attorney. The Board of Physicians' responses to inquiries are intended for guidance purposes only. As these responses do not necessarily reflect a discussion of all material considerations required to reach the conclusions stated, they are not intended to be rules, regulations, or official statements of the Board. Accordingly, due to their highly informal nature, these responses are not considered binding upon the Board and should not be relied on as definitive. Any person who wishes to republish or reproduce, in whole or in part, any material issued by the Board should contact the Board for prior consent.
