ORDER TERMINATING SUSPENSION AND IMPOSING PROBATION

Procedural Background

On January 4, 2024, Disciplinary Panel B ("Panel B" or the "Panel") of the Maryland State Board of Physicians (the "Board") and Angela Gucwa, M.D. entered into a Consent Order. Under the Consent Order, Panel B concluded that Dr. Gucwa was guilty of unprofessional conduct in the practice of medicine, in violation of Md. Code Ann., Health Occ. § 14-404(a)(3)(ii); was habitually intoxicated, in violation of Health Occ. § 14-404(a)(7); and provided professional services while under the influence of alcohol, in violation of Health Occ. § 14-404(a)(9)(i).

Under the terms of the Consent Order, Panel B terminated as moot the order of summary suspension that was imposed upon Dr. Gucwa's license, on September 12, 2023, and the order affirming the summary suspension that was issued on September 27, 2023; reprimanded Dr. Gucwa, suspended Dr. Gucwa's Maryland medical license for a minimum period of one year, and required her to comply with certain conditions of suspension, which

¹ The January 4, 2024 Consent Order terminated as moot the summary suspension of Dr. Gucwa's license imposed by Panel B on September 12, 2023, and the order affirming the summary suspension, issued September 27, 2023. Dr. Gucwa's prior disciplinary history with the Board is set forth in the January 4, 2024, Consent Order.

included: enrolling in the Maryland Professional Rehabilitation Program ("MPRP") and participating in all therapy, treatment, evaluations, and screenings as directed by MPRP. The Consent Order also provided that after the minimum period of one-year, Dr. Gucwa could submit a written petition to terminate the suspension, upon the Board's receipt of a report from MPRP that she had complied with all of MPRP's requirements and was safe to return to the practice of medicine. In addition, the Consent Order provided that, if the Panel determined that Dr. Gucwa could safely return to the practice of medicine, the suspension may be terminated through an order of the Panel, and the Panel may impose any terms and conditions it deemed appropriate to Dr. Gucwa's return to practice, including, but not limited to, probation and continuation of her enrollment in MPRP.

On January 3, 2025, Dr. Gucwa filed a petition to terminate her suspension. MPRP endorsed her return to clinical practice.

On February 26, 2025, Dr. Gucwa appeared before Panel B for consideration of her petition. Panel B reviewed Dr. Gucwa's file and heard oral presentations from the Board's probation analyst, from Dr. Gucwa, and from the administrative prosecutor for the State.

Panel B finds that Dr. Gucwa has complied with the terms of the January 4, 2024, Consent Order and that it is safe for her to return to the practice of medicine and issues this Order Terminating Suspension and Imposing Probation ("Order").
