ORDER TERMINATING SUSPENSION AND IMPOSING PROBATION

On September 18, 2024, Disciplinary Panel B (“Panel B”) of the Maryland State Board of Physicians (“Board”) and Scott C. Moran, M.D. entered into a Consent Order. Under the Consent Order, the Panel concluded that Dr. Moran was guilty of unprofessional conduct in the practice of medicine, in violation of Md. Code Ann., Health Occ. § 14-404(a)(3)(ii), and was professionally, physically, or mentally incompetent, in violation of Health Occ. § 14-404(a)(4).¹ Under the terms of the Consent Order, Panel B reprimanded and suspended Dr. Moran’s medical license for a minimum of one year and required him to enroll in the Maryland Professional Rehabilitation Program (“MPRP”). The Consent Order provided that Dr. Moran may petition Panel B to lift the suspension of his license if MPRP determined that he had complied with MPRP’s recommendations and requirements and he was safe to return to the practice of medicine. The Consent Order also provided that, if Panel B terminated the suspension, the panel could impose terms and conditions that it determines are reasonable and appropriate on Dr. Moran’s return to practice, which may include, but are not limited to probation with continued enrollment in MPRP.

On September 23, 2025, Dr. Moran petitioned Panel B for the termination of his suspension. On October 8, 2025, MPRP provided a written update to Panel B on Dr. Moran’s

ongoing participation in and compliance with MPRP and endorsed Dr. Moran's return to the practice of medicine. On November 6, 2025, the administrative prosecutor submitted a letter to Panel B in response to Dr. Moran's petition to terminate suspension, recommending termination of the suspension and that Dr. Moran be placed on probation for a minimum of three years subject to the terms and conditions proposed by MPRP. On November 19, 2025, Dr. Moran and the administrative prosecutor appeared before Panel B for consideration of Dr. Moran's petition.

Panel B finds that Dr. Moran complied with the terms and conditions of his Consent Order and that Dr. Moran is safe to return to the practice of medicine so long as certain safeguards are in place. Accordingly, Panel B will terminate the suspension of Dr. Moran's license and place Dr. Moran on probation for a minimum of three years with certain terms and conditions, including continued enrollment in MPRP.

It is thus, by Panel B, hereby:

ORDERED that the suspension and conditions of suspension imposed under the Consent Order, dated September 18, 2024, are **TERMINATED**; and it is further

ORDERED that the reprimand imposed by the September 18, 2024 Consent Order remains in effect; and it is further

ORDERED that Dr. Moran is placed on **PROBATION**² for a minimum period of **THREE YEARS**, subject to the following terms and conditions:

(1) Dr. Moran shall remain enrolled in MPRP as follows:

(a) Dr. Moran shall fully and timely cooperate and comply with all MPRP's referrals, rules, and requirements, including, but not limited to, the terms and conditions of the Participant Rehabilitation Agreement(s) and Participant Rehabilitation Plan(s) entered with MPRP, and shall fully participate and comply with all therapy, treatment, evaluations, and screenings as directed by MPRP;

² If Dr. Moran's license expires while Dr. Moran is on probation, the probation period and any probationary conditions will be tolled.

(b) Dr. Moran shall sign and update the written release/consent forms requested by the Board and MPRP, including release/consent forms to authorize MPRP to make verbal and written disclosures to the Board and to authorize the Board to disclose relevant information from MPRP records and files in a public order. Dr. Moran shall not withdraw his release/consent;

(c) Dr. Moran shall also sign any written release/consent forms to authorize MPRP to exchange with (i.e., disclose to and receive from) outside entities (including all of Dr. Moran's current therapists and treatment providers) verbal and written information concerning Dr. Moran and to ensure that MPRP is authorized to receive the medical records of Dr. Moran, including, but not limited to, mental health and drug or alcohol evaluation and treatment records. Dr. Moran shall not withdraw his release/consent;

(d) Dr. Moran's failure to comply with any of the above terms or conditions including terms or conditions of the Participant Rehabilitation Agreement(s) or Participant Rehabilitation Plan(s) constitutes a violation of this Order; and it is further

ORDERED that if, upon the authorization of MPRP, Dr. Moran transfers to a rehabilitation program in another state, Dr. Moran's failure to comply with any term or condition of the out-of-state's rehabilitation program, constitutes a violation of this Consent Order. Dr. Moran shall also sign any out-of-state written release/consent forms to authorize the Board to exchange with (i.e., disclose to and receive from) the out-of-state program verbal and written information concerning Dr. Moran, and to ensure that the Board is authorized to receive the medical records of Dr. Moran, including, but not limited to, mental health and drug or alcohol evaluation and treatment records. Dr. Moran shall not withdraw his release/consent; and it is further

ORDERED that Dr. Moran shall not apply for early termination of probation; and it is further

ORDERED that, after Dr. Moran has complied with all terms and conditions of probation, the minimum period of probation has passed, and MPRP has determined that Dr. Moran is safe to

return to the practice of medicine without monitoring, Dr. Moran may submit to the Board a written petition for termination of probation. After consideration of the petition, the probation may be terminated through an order of the disciplinary panel. Dr. Moran may be required to appear before the disciplinary panel to discuss his petition for termination. The disciplinary panel may grant the petition to terminate the probation, through an order of the disciplinary panel, if Dr. Moran has complied with all probationary terms and conditions and there are no pending complaints relating to the charges; and it is further

ORDERED that if Dr. Moran allegedly fails to comply with any term or condition imposed by this Order Terminating Suspension and Imposing Probation, Dr. Moran shall be given notice and an opportunity for a hearing. If the disciplinary panel determines there is a genuine dispute as to a material fact, the hearing shall be before an Administrative Law Judge of the Office of Administrative Hearings; and if the disciplinary panel determines there is no genuine dispute as to a material fact, Dr. Moran shall be given a show cause hearing before a disciplinary panel; and it is further

ORDERED that, after the appropriate hearing, if a disciplinary panel determines that Dr. Moran has failed to comply with any term or condition imposed by this Order Terminating Suspension and Imposing Probation, a disciplinary panel may reprimand Dr. Moran, place Dr. Moran on probation with appropriate terms and conditions, or suspend with appropriate terms and conditions, or revoke Dr. Moran's license to practice medicine in Maryland. A disciplinary panel may, in addition to one or more of the sanctions set forth above, impose a civil monetary fine upon Dr. Moran; and it is further

ORDERED that this Order shall not be amended or modified and future requests for modification will not be considered by the Board or a disciplinary panel; and it is further

ORDERED that the effective date of the Order is the date the Order is signed by the Executive Director of the Board or her designee. The Executive Director or her designee signs the Order on behalf of the disciplinary panel which has imposed the terms and conditions of this Order; and it is further

ORDERED that Dr. Moran is responsible for all costs incurred in fulfilling the terms and conditions of this Order; and it is further

ORDERED that this Order is a public document. *See* Health Occ. §§ 1-607, 14-411.1(b)(2) and Gen. Prov. § 4-333(b)(6).
